

Photography Club - Learn how to take pictures using a 35mm camera in manual mode. Also learn to develop black and white film and print photographs. Students in the club often support the school publications by providing requested photos. Meets Monday, Tuesday, and Friday at 2:45 p.m. in the darkroom, T338. Open to students, grades 7-12. *Ms. Crapo*

The Republicans Club - The Delbarton Republicans Club is a student group for anyone interested in politics, specifically of the conservative persuasion. The club meets about two or three times a month in the mornings before school (breakfast is usually provided) where we talk about recent happenings in politics and basically anything involving the Republicans Party. This year the club plans on bringing in guest speakers to talk about elections and life in politics. Open to students, grade 7-12. *Mr. Milner*

Rugby Club Team –Rugby is an exciting sport which includes running, passing, kicking, and tackling. The team will have practices, scrimmages and game. The club is active in both the spring and fall. No prior experience is needed and all are welcome. *Mr. Goodale*

Russian Club - Designed to foster interest in the languages and culture of Russia, and meets on Wednesdays in room T331. Field Trips to Russian neighborhoods or restaurants will also be planned. Open to all grades, the direction the club takes will depend upon those who sign up. *Mr. Sanfacon*

Schola Cantorum - Delbarton's Chorus, the Choral group signs all types of music and presents the musical production. Open to all students, grades 7-12. Rehearsals are during conference block on Tuesday, conference block Wednesday, and 5:00-7:00 pm on Thursday in Room 205 Old Main. *Mr. Blazier, Dr. Forderhase*

Science League - A statewide competition for science students, grades 9-12, in Biology, Chemistry, Physics, and Integrated Science. Members are coached throughout the year in preparation for the State Science Day in May. *Mrs. Bonalsky*

Ski Club – This club meets on Thursdays in January and February to take afternoon and evening trips to the local slopes. Cost TBD. *Ms. Mainardi*

Spanish Club - The Spanish Club is designed to foster interest in the language and culture outside the classroom. It is open to all students, grades 7-12. The club sponsors a variety of activities including trips to Spanish restaurants, Broadway or off-Broadway plays, musicals, museums, and other cultural events. *Mr. J. Paris*

Student Alumni Association - Open to all students, grades 7-12, this association works closely with the Delbarton Alumni Association and provides support for events and activities, including Homecoming, phone-a-thons, and alumni gatherings and dinners. Representatives of this committee will be invited to attend alumni meetings, serve as liaisons between the student body and Delbarton alumni and will enjoy dinners and other benefits for their contributions. *Mr. Paris '82, Mr. Gately'04*

Trivia Team - In addition to in-house trivia tournaments throughout the year (one each term), we participate in off-campus tournaments. Team members are selected on the basis of their performance at the in-house competitions held on Tuesdays in room T331. Open to all students, grades 7-12. *Mr. Sanfacon*

Wave TV - WaveTV is an interactive podcast open to all students grades 7-12. We will produce Delbarton's first world news broadcast focusing on how Delbarton interacts with the global community. *Mr. Carr*

New Clubs – Always welcome... see your class president or the Assistant Headmaster on how to establish a new club or activity at Delbarton.

DELBARTON Clubs & Activities

Abbey Players - Presents a fall drama, a winter musical in collaboration with the music department, and a spring one-act play festival featuring student written and directed plays. For those who are more comfortable behind the scenes, the stage crew builds sets, hangs lighting, and ensures the productions run smoothly. Open to all students, grades 7-12. *Mr. Con, Mr. Theroux, Mr. Flynn*

Art Club - Open studio experience involving individual projects, murals, and workshops. Available to all students. - *Ms. Lopez*

Archway - This publication has been a long-standing tradition at Delbarton. Open to students, grades 9-12, and welcomes new members every day after school in Room T340. The student yearbook is unique because it allows you to leave your mark in the school's history. *Ms. Keller, Ms. Irigary*

Chess Club & Team - Meets weekly for one hour after school only during the Winter trimester to practice and play chess. Open to all students, grades 7-12 and players of all levels are welcome. Seven members of the club are selected to form a Chess Team that will participate in matches against other schools. *Mr. Paris*

Courier - Delbarton's newspaper, the Courier, seeks to communicate and celebrate the whole Delbarton experience: arts, athletics, and service. The Courier is also a forum for the constructive exchange of ideas on issues of concern to students and faculty. We always need new writers, artists, and photographers to help us. *Ms. Mainardi, Mr. McGoldrick*

Cycling Club - Offers both road and mountain biking to all students, grades 7-12. The club rides two afternoons a week throughout the year (weather permitting). In addition, instruction is available for students who wish to pursue competitive road cycling. *Mr. Rosenhaus*

Delta - Open to students, grades 9-12, the literary magazine's goal is to encourage creativity in writing, art, photography, musical composition and related areas while publishing these material in an arts journal. *Mr. Pillette*

Delbarton Literary Artistic & Cultural Club - Open to all student's grades 7-12, our mission is to foster appreciation for different cultural forms among our members. We focus on everything from the observance of modern rock music, film and culture to the study of classic forms of art. *Mrs. Walsh and the English Department*

Drama Club - Open to all students' grade 7-12. *Mr. Corica*

Economics Club - Delbarton's Economics Club will foster awareness of global economic issues and serve our community by organizing events of interest, sponsoring both internal and national competitions, and by promoting social responsibility. The Delbarton Economics Club will serve as a vehicle for students at all grade levels to explore current economic issues, build global awareness, and improve financial literacy. *Mr. Brady*

Engineering & Design Club - Students, grades 7-12, work in groups to complete various engineering and design projects in areas of their personal interest. Groups may also enter state and national contests where they compete against other students. *Mr. Devine*

Film Club - The Film Club will not simply view cinematic works this year, but will create one as well. The club will be engaging in a spring "film festival" premiere. The club will also study a variety of classic, foreign and independent films. *Mr. Carr*

Forensics- Designed to improve public speaking skills, the Speech and Debate Team provides an opportunity to compete in the New Jersey Forensics League. The club usually takes an annual trip to a National Tournament. *Br. Kevin*

French Club - Open to all students, grades 7 -12, this club will explore the language and culture of France and other francophone countries through film, trips, and cultural events. *Mr. Kelley, Mr. Sanfacon*

German Club - Open to all students, grades 7-12, this club will explore the language and culture of Germany through film, trips, and cultural events. *Mr. Conn*

Green Wave Stock Exchange - Open to student's grades 9-12, the goal of the GWSE is to expose students to equities (stocks) and to the mechanics of the equity markets. In addition to an annual trip to the NYSE, the club sponsors a stock market contest. *Mr. Flanagan*

History Club - An organization of students who take interest in subjects germane to the study of history. In the past years, the club has sponsored a number of exciting programs, including trips to the Morris Museum, the Cloisters, Imax Theaters, and Medieval Times. In addition, the club sponsors a series of lectures and movies, which includes pizza, soda, and a movie. *Mr. Fleishman,*

Italian Club - Open to all students, grades 7-12, who wish to explore the riches of Italian culture, charm and cuisine as well as centuries of history, art, and music. Activities may include visits to the Italian Embassy, marching in the Columbus Day Parade, and frequent dining at fine Italian restaurants. *Mr. Loia*

Latin Club - Open to all students, grades 7-12, who are studying or are interested in the culture, philosophy, and language of ancient Rome. The aim is to develop an interest in the classics while meeting the social and academic needs of its members who plan and participate in a wide-range of activities to foster these objectives. *Mr. Pohlig*

Martial Arts Club - Open to all students, the Martial Arts Club works to promote fitness, cultural awareness, and good character based on the Northern Chinese tradition. *Mr. Beach*

Math League - Students, grades 7-12, complete intra-Delbarton, state, national, and international math contests. These weekly contests challenge students' math skills in both individual and team settings. Contests are held after school and are an excellent way to sharpen your math skills. *Mrs. Lee*

Meteorological Society - The goal of the Meteorological Society is to expose students to meteorological study through hands-on experiments and study materials. Open to all students. *Mr. Manno*

Environmental Club - *Mr. Manno*

Middle School Consortium - The Middle School Consortium is a group of 10 schools, which sponsor an annual calendar of events to promote student growth. Activities include a spelling bee, general knowledge tournament, problem solving workshop, forensic tournament, tennis, and chess tournament. There is a limited number of students allowed to participate in each event. Announcements will be made by *Mrs. Bonalsky* during conference block and through daily announcements.

Middle School Publications - Budding journalists, poets, photographers, and editors needed. Exclusively for 7 & 8 graders. *Mr. Linfante*

Mineralogical Society - Meets on Thursdays in T331 to learn about collecting minerals, fossils and other aspects of earth science. Field trips to local museums and collecting sites will be planned. Open to all grades, while target to students, grades 7, 8 and 9. *Mr. Sanfacon*

Mock Trial - Open to all students, grades 9-12, this club sponsors county and statewide competitions in collaboration with the New Jersey State Bar Association. Competition takes place during the winter term. *Mr. Kelley*

Model United Nations - This club, open to all student's grades 9-12, meets every Monday to discuss international government, world geography, foreign policy and the United Nations. Club members debate and compete both here at Delbarton and at conferences held all over the Tri-State area. This year's UN team is planning conferences at Rutgers and Georgetown to start with more conferences and debates to follow in the winter and spring terms. Delegates to these conference trips are chosen by performance in meetings and workshops. UN meetings every Monday in the art history room in the Fine Arts building. *Mr. Diffley*

Musical Ensembles - Open to all students, grades 7-12, in a wide variety of instrumental ensembles, including Percussion (*Mondays 6:00-8:00 pm*), Jazz (*Tuesdays 5:30-7:30 pm*), Guitar (*Tuesdays 2:45-3:45 pm*), Clarinet (*Wednesdays 6:00-6:30 pm*), Saxophone (*Wednesdays 6:00-6:30 pm*), Wind (*Wednesdays 6:30-8:00 pm*), Abbey Orchestra (By audition *Wednesdays 6:30-8:30 pm*), Intermediate Orchestra (*Thursdays 7:00-8:00 pm*) and the Schola Cantorum (Chorus on *Thursdays 5:00-7:00 pm* and *Tuesday/Thursday* during M block). *Mr. Blazier*
